ELECTRIC HEAT RATE

I hereby make application to participate in Sioux Valley Energy's electric heat program. I understand that the electric heat rate applies to separately metered and permanently installed electric heating equipment for meter reading dates during the heating season of October through April of each year.

Please check the appropriate box.

_____ Enclosed is my check for \$200 covering my share of the cost for the new sub-meter installed by Sioux Valley Energy for a resistance heat system or heat pump less than 13-SEER.

OR

_____ I am installing a heat pump (air-to-air or geothermal) rated 13-SEER or above. There is no charge for my share of the cost for the new sub-meter installed by Sioux Valley Energy.

OR

_____ I am replacing an existing electric heating system in which a sub-meter exists. I understand that I am eligible to participate in the previous electric heating program guidelines.

REQUIRED INFORMATION TO RECEIVE A REBATE

If you are installing an air-to-air or geothermal heat pump that is Energy Star rated, please complete the following required information and submit documentation:

- Make: _____ Model: _____
- AHRI certificate included to verify Energy Star rating final invoice from your contractor

AIR CONDITIONING CREDIT

I hereby make application to participate in Sioux Valley Energy's central air conditioning/heat pump program. I understand that the \$6 air conditioning monthly credit applies for meter reading dates during the cooling season of May through September with a minimum total electric usage of 300 kWh per month. I further acknowledge that the central air conditioner or heat pump must be connected to the load management system in order to qualify.

Please check the appropriate box.

_____ Yes, I would like to participate in the central air conditioning/heat pump program.

OR

_____ No, I do not want to participate in the central air conditioning/heat pump program.
