Electrician Name/City: _____

Do you/new homeowner have immediate plans to purchase an EV or install a level 2 charger? [] Yes [] No [] Unknown

\$300 Rebate for an EV Ready New Construction Home
LEADING THE CHARGE WITH CO-OP POWER

Preparing a home to be EV ready at the time of new construction will save on ease and costs to install EV charging equipment later if a homeowner decided to make an electric vehicle purchase.

- Receive a \$300 rebate to help cover the costs of prewiring a home to be EV ready.
At a minimum, 1" conduit must be installed from breaker panel to garage to provide a means for future EV charger installation.
SVE will verify installation and will place an EV ready sticker on future EV charger breaker location in the electrical panel.

How to Apply for Rebate

- Fill this form out completely. Incomplete forms will not be processed.
SVE will verify wiring installation and will place an EV ready sticker.
Submit the completed rebate form by December 31, 2023.
Each account is eligible for one rebate.
Mail to Sioux Valley Energy, PO Box 216, Colman SD 57017 or for your convenience email sheila.gross@siouxvalleyenergy.com or fax to 605-256-1693.
Allow up to 6 weeks for your rebate check to be issued.
Rebate dollars under the Sioux Valley Energy rebate program are limited and offered on a first come, first served basis and are subject to the project and member eligibility.

For Office Use Only

Sioux Valley Energy is an equal opportunity provider and employer.
